

RESPONSIBILITY & SOCIAL COMMITMENT

- Yorkshire Precision Gauges recognises and adheres to the obligations we have to our employees, customers, suppliers and the community as a whole.
- Safety is one of the highest priorities at YPG, we continuously review and update all working policies and procedures to ensure our employees work safely. We are committed to providing a safe place of work for all employees, contractors and visitors alike
- We are dedicated to creating a company that is fair to all employees, free from harassment and discrimination in any form.
- YPG is committed to the protection of the environment. Our in-house Environmental Policy is reviewed and renewed regularly.
- We are dedicated to working with our customers and suppliers to steer quality throughout the manufacturing chain. Our Quality Policy ensures all products are checked throughout manufacture, in addition we offer calibration by our on-site UKAS accredited laboratory.
We regularly review customer feedback and use this to improve practices.
- All our Senior Management promote open and honest communication throughout all levels of the business and encourages transparency between themselves, employees, customers and suppliers.
